Dear Mr. Kalmakoff:

Thank you for your letter of January 3 concerning a potential road from Ivanof Bay to the airport facility at Stepovak Bay. We have also received correspondence from Glen Kalmakoff, from Bay View, Inc. and from Bristol Bay Native Corporation on this matter.

We agree the proposed road/airport linkage merits further study. By way of a response, I am enclosing a copy of the letter reply I sent to Glen Kalmakoff in answer to his January 5 letter. Please call me toll-free at 1-800-PLANDOT if you have questions or would like to discuss further.

Sincerely,

Jeff Ottesen, AICP
Chief, Statewide Planning
